

Gift Drive Suggestions for Older Youth

Thank you for hosting a gift drive! We are so appreciative of your assistance for our Give Joy Holiday Program. Gifts donated from gift drives help stock our Toyporium, a store where parents can pick out gifts for their children. Parents can shop for kids ages 0 to 18. We usually limit each child to three gifts based on item availability, but we would love to offer more if we're able.

Sometimes we find there are limited options for older children, especially boys, in the store. We are providing this list of suggestions to help bolster our stock of items for older children to get excited about. We love helping parents find exactly what their child wanted at Toyporium!

This list is only a starting point. If you have a trend-savvy teen in your life, ask them to help you shop! Other great resources for gift ideas can be found all over the internet.
