CENTERPLACE REUNION

JULY 30 – AUGUST 4, 2022

THREE TRAILS CAMPGROUND – Kansas City, Missouri

16200 E US HWY 40 | Kansas City, MO. 64136

Camper Information

Housing is in various dorm-style lodges on a 40-acre campground operated by the Salvation Army. It is on the border of Independence and Kansas City, at the intersection of 40 Hwy and Lee's Summit Rd. This provides both the convenience of being in town, but also the feeling of being secluded.

The modern lodges have central air/heat, bedrooms, bathrooms, and a common living area that includes a kitchen area with a sink, microwave, and refrigerator. The bedrooms have either two twin beds, three twin beds, or the larger ones have 6 bunk beds. Small children may sleep on the floor or cot, however no cots or extra mattresses are available. Plan to bring your own bedding, as it may not be provided in all lodges. If you desire to share a room with someone or close to another family, both parties should so indicate on the registration form.

The campground also has a swimming pool, playground, outdoor recreation areas, recreation room, gymnasium, numerous gazebos and decks, ball field, creek and nature trails, and laundry facilities. See <https://threetrailscamp.org>

The campground does *not* have accommodations for RV's.

All efforts have been made to keep expenses at a minimum. The fees are those the campground charges for use of their facilities, and also the catering services. Offerings will be taken during the reunion.

All priesthood officiating in worship services will wear shirt and tie. Clothing should be informal and governed by good taste. Brief apparel is not appropriate at any time; this is especially true for services.

Children are the responsibility of their parents or adult sponsors. Reunion staff will supervise them only during classes or special activities. Phones and pagers will be turned off during all classes and worship services. Please bring your scriptures, a positive attitude and worshipful spirit.

We understand that some families may have financial limitations at this time, but we do not want that to stop you from attending. If you have the desire to attend, but cannot afford the registration fee, please register anyway and the cost will be waived.

Free-will offerings will be taken during the evening services. The cost of the reunion is greater than the registration fee. We are depending upon the offerings to make up the difference.
